

Moki Momentum 2.0: Our MDM Partner Program

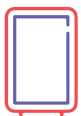

We're thrilled to introduce Moki Momentum 2.0, our newly revamped partner program designed to help you drive more revenue, access powerful resources, and build stronger customer relationships. Whether you're a reseller, referral, or affiliate partner, Momentum 2.0 equips you with cutting-edge tools, dedicated support, and unmatched incentives.

WHY PARTNER WITH MOKI?

Moki specializes in mobile device management (MDM) for company-owned, single-purpose, customer-facing devices, including iOS, Android, and BrightSign. With Momentum 2.0, we work closely with you to create customized paths for success that align with your business needs.

SOME MDM USE CASES WE SUPPORT:

Digital Signage

Digital Kiosks

**Employee
Handheld Devices**

**Point of Sale
(POS)**
